**OFFICE OF PETITIONS**

I, David Van Gorp, CEO of the assignee of the above-identified invention, states the following:

1. There is an infringing device or product actually on the market.
2. A rigid comparison of the alleged infringing device, product or method with the claims of the application has been made, and we believe that at least one of the pending claims is unquestionably infringed; and
3. A careful and thorough search of the prior art has been made via the parent PCT Application. All relevant art as cited in the PCT Search Report has been submitted via an Information Disclosure Statement filed on August 15, 2005.

That the undersigned further declare that all statements made herein of their own knowledge are true and that all statements made on information and belief are believed to be true

and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issuing thereon.
